The District agrees to notify the Association of such proposed designations. In disputed cases, the Association may submit to the EERB for resolution.

Section 3. The parties agree that the unit as described in the foregoing paragraphs is appropriate and that neither party will seek clarification or amendment of the unit, either as to specific exclusions or the enumerated inclusions, unless as to the exclusions, there is a significant change in the duties of the incumbent.

ARTICLE 3 - MANAGEMENT RIGHTS

Section 1. All matters within the scope of representation as set forth in the Government Code, Section 3543.2, or not limited by the express terms of this Agreement, are reserved

by the District. Except as limited by the express terms of this Agreement, it is agreed that such reserved rights include, but are not limited to the exclusive right and power to discontinue, in whole or in part, temporarily or permanently, without further bargaining as to the decision or the effects thereof, any of the following: the Board's sole right to manage and direct the work of its employees, to determine the method, means, and services provided, to determine the staffing patterns and the number and kinds of personnel required, to determine the assignment goals, objectives and performance standards, to decide on the building, location, or modification of a facility, to determine the budget and methods of raising revenue, to subcontract work or operations except where expressly forbidden by law, to maintain order and efficiency, to hire, assign, to evaluate, promote, discipline, discharge for cause, layoff for lack of work or lack of funds, and transfer employees. An emergency is a sudden, generally unexpected occurrence or occasion requiring immediate action, such as an emergency due to an act of God or due to interference by a third party beyond the control of the District. In the event of any such action, the District agrees to negotiate with regard to such suspension or modification or successor provisions as soon as reasonable after demand by the Association.

In the event future court rulings in PERB decisions render any provisions of this Agreement beyond the scope of bargaining, the parties shall meet and negotiate within thirty (30) days after notification by either party for the purpose of arising at a mutually satisfactory replacement for such Article or Section.

If the Legislature, during the term of this Agreement, expands the scope of negotiations, the parties shall meet and negotiate, upon the request of their party, regarding the subjects thus added to the scope of negotiations.

If an employee's work schedule is such that it does not allow sufficient time to vote in any federal, state or local election in which the employee is entitled to vote, the employee shall request sufficient time in advance for the District to arrange for such voting by the employee, if possible, without loss of pay.

Section 12. Any employee called in to work to return to duty station after hours or to work on a day when the employee is not scheduled to work shall receive a minimum of two (2) hours at the appropriate rate of pay under this Agreement. To receive such pay, the District may require the employee to perform duties within their job classification for two (2) hours.

ARTICLE 14 - WORK LOADS

Section 1. The District will make a reasonable effort to maintain a parity of work load within each position in the classification.

Section 2. (a) With respect to the classification of Instruction Assignments, the District agrees that it will not reduce the hours of any individual Assistant on the payroll as of the date of this Agreement, but instead will follow the Layoff procedure provided for in this Agreement should a reduction in total Assistant hours be appropriate. Where an existing Assistant is terminated from the payroll for whatever reason, the District may replace the terminating employee with an Assistant who works fewer hours or with two (2) Assistants, each of whom works fewer hours than the terminating Assistant. If any Assistant is on layoff at the time an Assistant on the District payroll as of the effective date of this Agreement terminates and the District intends to replace such person, the right of recall of the Assistant on layoff shall not be to an Assistant position with the number of hours as the terminating Assistant but rather to an Assistant position with the same number of hours as established by the District in its discretion. However, if the Assistant on layoff worked the same number of hours or greater number of hours as the Assistant being terminated and was an employee of the District on the effective

date of this Agreement, then any right of recall shall be to an Assistant position with the same number of hours as the terminating Assistant.

(b) Any employee may be required to work a split shift and to work at more than one school. A split shift for the purpose of this Agreement is an unpaid, non-working period between two (2) paid work periods, not to exceed a two (2) hour duration, not including the meal break of the affected employee. In any instance where an employee is required to work at more than one school and the period between shifts is one-half ($\frac{1}{2}$) hour or less, such time shall be time in paid status for the period of time required to transit from one school to another. The standard mileage reimbursement shall be provided only for required travel to the second school.

ARTICLE 15 - SUMMER ASSIGNMENTS

Section 1. Anticipated staffing needs for summer assignments and summer school programs will be posted by the District on classified employee bulletin boards. The listing will be posted as soon as reasonable.

Section 2. Job posting as described above in all cases shall be contingent upon the needs of the summer programs. Employment offers for summer appointment may be rescinded if there is insufficient enrollment and/or lack of need for the program.

Section 3. No employee shall be required to work summer assignments unless such employee is a twelve (12) month employee.

Section 4. When the abilities and competence of two (2) or more employees seeking the same summer assignment are equal, the senior employee shall be selected [see Appendix D(2)].

Section 5. A Classified employee shall for work performed in a classification during the summer, receive on a pro-rated basis, the salary and benefits which are applicable to work performed in the same classification during the regular academic year. However, health and welfare benefits shall not be payable for summer assignment.

Section 6. A classified employee shall be given preference over a short-term employee under Article 40, Section 4, for work performed in the same classification during the summer and, if qualified, for work performed in a different classification during the summer. A classified employee who performs summer work in any classification within the same job family as that employee's permanent assignment shall accrue seniority for the summer work.

ARTICLE 16 - EMPLOYEE SAFETY

Section 1. The District shall, upon reasonable request of a classified employee, investigate reported cases of contagious and/or infectious diseases or other health/safety problems which are likely to be detrimental to the health and welfare of the employee.

Section 2. The District shall provide safe working conditions for employees.

Section 3. Classified employees shall immediately report cases of verbal threats and assault or battery suffered by them in connection with their employment to their immediate supervisor who shall according to the statute report the incident to the local law enforcement authorities.

(a) Employees injured as a result of Section 3 above shall be entitled to receive full pay less any workers' compensation pay received during the term of absense from duty provided same does not exceed one (1) year.

Section 4. All cases of verbal abuse shall be immediately reported to the employee's management supervisor or to the Superintendent's designee.

Section 5. The District will provide all safety equipment required by the District. Such equipment will remain the sole property of the District.

Section 6. Immediately, if possible, upon encountering a condition which presents an imminent hazard to his/her safety, the employee shall notify his/her immediate supervisor. The supervisor shall make a determination as to the extent of the hazard and shall give the employee reasonable instructions in light of this determination. Failure to obey such instruction may subject the employee to discipline under Article 35, which the employee may challenge under the provisions of that Article. "Reasonalbe Instructions" shall include instructions that give priority to the safety of students.

Section 7. No employee shall be in any way discriminated against as a result of reporting conditions believed to be health/safety hazards.

ARTICLE 17 - SUPERVISION OF PAID AND NON-PAID STUDENT AND VOLUNTEER WORKERS

Section 1. The District may assign a paid student worker to assist a classified employee. In such an event, the classified employee shall be responsible for the supervision of the student.

(a) The classified employee shall share with the immediate supervisor the responsibility for the evaluation of the paid student helper.

(b) Notwithstanding the foregoing, no such assignment will be made without the voluntary consent of the individual bargaining unit employee.

(c) Paid student workers will not be assigned to perform work traditionally performed by bargaining unit employees unless such student work is funded by an external source, and does not result in less hours of work for the bargaining unit employee than had existed prior to such assignment.

Section 2. The District may assign a non-paid volunteer student helper to a classified employee.

(a) The classified employee shall have the opportunity to be consulted upon the placement of non-paid student workers prior to the assignment to the employee's work station.

Section 3. The District will work cooperatively with classified employees on the assignment of student helpers from local training programs.

(a) No student helper will be assigned to work with an employee without an employee's approval.

Section 4. (a) The District may not abolish any bargaining unit position and use volunteer workers in lieu of bargaining unit employees who are laid off as a result of the abolition of a position. In addition the District may not refuse to employ a person in a vacant bargaining unit position and use volunteer workers in lieu thereof except upon the mutual agreement of the District and the Association.

(b) It is the intent of the parties to encourage the District to use volunteer workers to enhance its educational program, but not to permit displacement of bargaining unit employees nor to allow the District to utilize volunteers in lieu of normal employment requirements.

(c) It is further the intent of the parties that the interpretation of this Section conform to the intent of Education Code Section 35021 as it existed on January 1, 1983, and to be consistent with 35021 or its successor, if any.

(d) This section applies to both non-employee volunteer workers and bargaining unit employees who perform volunteer work beyond their regular work schedule.

(e) The District shall not coerce or otherwise encourage or discourage bargaining unit employees to perform volunteer work in addition to their regular classified assignment.

ARTICLE 18 - TRANSFERS

Section 1. Classified employees may be transferred or may request to be transferred to positions for which they are qualified provided such is in the same salary range and or classification. In the event of all such transfers, the best interest of the District shall be the primary consideration.

(a) A transfer is defined as a movement of a bargaining unit employee from one position or work site to another, but shall not include any redistribution of work consistent with Article 14, subsection (1). If an employee is transferred to a different classification (in the same salary range), the employee shall serve a probationary period in the position to which transferred of one hundred thirty-two (132) days in paid status, exclusive of all leaves except paid holidays and vacations. The probationary period may be extended by mutual agreement between the District, the employee, and the Association. Article 34, Section 4 shall apply to such transferred employees.

(b) Probationary employees (including permanent employees in probationary promotional positions) shall remain in a position for at least one (1) calendar year before a transfer request will be approved, except as mutually agreed by the District and the Association.

Section 2. A classified employee may request a voluntary transfer at any time. Such a transfer shall take place only if an opening for transfer is available.

(a) A request for voluntary transfer shall be made in writing to the District Personnel Office.

(b) If a request for voluntary transfer is made regarding a specific position, the written request to the District Personnel Office shall be made during the period of the posting of the vacancy, which shall be for no less than five (5) working days.

(c) (1) If the Superintendent and the receiving supervisor approve, a classified employee requesting voluntary transfer need not go through the screening evaluation, and interview process normally used in evaluating non-employee applicants for a position. Otherwise such process shall be followed. All other factors being reasonably equal, the District employee shall be given preference.

(c) (2) When three (3) or more District employees apply for a vacancy all possess the requisite qualifications for the job, the District shall select one (1) of such District employees for the job. Such selection shall be at the sole discretion of the District and shall not be grievable under this Agreement.

(d) No employee shall be overtly or indirectly pressured by the District to seek a voluntary transfer.

(e) If a voluntary transfer is denied, the classified employee shall upon written request be provided with specific reasons for the denial within ten (10) working days.

Section 3. Involuntary Transfers. (a) An involuntary transfer is any transfer not sought or not requested or not agreed to by the employee transferred. Transfers shall not be punitive or disciplinary in nature, absent due process.

(b) Prior to an involuntary transfer, an employee, upon request, shall be given written reasons for the impending

transfer. The District shall make involuntary transfers at any time for the following reasons only:

1. to establish or maintain reasonable staff balance in male-female ratio;
 2. to establish or maintain a mix of experience of such staff;
 3. to establish or maintain a proper ethnic distribution of classified employees throughout the work site;
 4. to establish or maintain necessary capabilities at any school of bilingual instruction;
 5. to accommodate a change in school enrollment necessitating either the addition or deletion of staff; and,
 6. whenever such transfer will benefit the educational program or service, or temporary transfers in the case of emergencies.
7. Any application of factors (1) through (5) shall not be inconsistent with State or Federal law.

(c) If there are two (2) employees or more at a site who are to be considered for transfer based upon the factors listed above, and all other factors are reasonably equal, then the least senior employee (on a District seniority basis based upon seniority number) shall be selected.

(d) (1) An involuntary transfer shall not result in the loss of compensation or any fringe benefit to the classified employee. An employee involuntarily transferred to a higher classification during the terms of this Agreement shall be compensated at the higher classification in accordance with Article 33.

(2) A classified employee may be involuntarily transferred for cause. In such instance, the cause stated for the transfer shall be a part of the employee's evaluation and a written notice defining the cause leading to the transfer shall, upon request, be sent to the employee.

(e) In cases other than involuntary transfers for cause, if the transferred employee requests a transfer pursuant to paragraph 2 of this Article, such employee will receive top priority in filling the open position.

Section 4. Medical Transfers. Notwithstanding the other provisions of Article 18, if an employee is medically unable to satisfactorily perform his regular employment duties, the District shall have the option to assign the employee to an alternate assignment which the employee is medically capable of performing, after consultation with the employee. The hours associated with the alternate position shall be no more than approximately the hours formerly worked without the consent of the employee, but may be less than the hours formerly worked. The employee's salary shall be the same as that assigned to the employee's former position, unless the salary for the new position is higher than that of the former position, whereby the employee shall receive the higher salary. Health and welfare

and sick leave will be calculated according to the actual hours worked or the number of hours in the former position, whichever is greater. As positions become available, if medically capable, the employee shall be reinstated to his/her former classification.

An employee who refuses reassignment to an alternate assignment which the employee is medically capable of performing is subject to immediate termination.

In the case of layoffs, layoffs shall be in accord with applicable law. However, in no case shall an employee receive priority on the layoff list solely due to the fact that employee was placed on medical leave prior to being placed on the layoff list.

When an employee has been transferred to an alternate assignment pursuant to the provisions of this Section, and the period of time has elapsed during which that employee would have been entitled to receive paid leave, if the employee is still not medically capable of returning to his/her former assignment, the District may offer the employee continued employment in the employee's alternate assignment. The salary at that time will be the salary associated with the alternate assignment and all fringe benefits including health and welfare benefits and sick leave will be calculated according to the actual hours worked.

The employee at this time has the option to reject further assignment in the new position. If this occurs, the employee's employment with the District shall cease but the employee shall retain all reemployment rights provided under applicable law.

ARTICLE 19 - LAYOFF AND REEMPLOYMENT

Section 1. For the purpose of this Article, the following definitions shall apply:

(a) "Layoff" is defined as in the Education Code. Layoff shall occur only for lack of work or lack of funds.

(b) "Class" is defined as job classification such as those listed in Appendix A.

(c) "Job Family" is defined as each of the seven (7) groups related job classifications listed in Appendix A, which are as follows: Secretarial and Clerical; Business; Health; Media and School Aides; Food Service; Maintenance and Operations; and Transportation.

(d) "Lower Class" is defined as a job classification with a lower hourly salary range.

(e) "Equal Class" is defined as a job classification with an equal hourly salary range.

(f) "Seniority" for the purpose of this Article is defined as follows:

1. Seniority for persons hired on or before June 30, 1971, is secured by "date of hire," regardless of number of total hours worked.

2. The District Seniority List, in effect on November 7, 1989 (date of ratification by CSEA), shall be frozen for all bargaining unit members as of that date.

3. The District will assign seniority numbers to bargaining unit members hired after the date of ratification based upon those members' date of hire. "Date of hire" shall mean the unit member's first date of paid service in a probationary position. If two or more unit members have the same date of hire, the District will assign seniority numbers of by lot. In the event a unit member terminates District employment and is rehired within thirty-nine (39) months pursuant to Article 42, Section 6 of the collective bargaining agreement, his/her seniority number shall be adjusted by deleting credit for the period of non-employment.

4. The District will change an employee's seniority number if the employee is on accrued, approved, unpaid leave of absence for 120 workdays or more during any 39 (thirty-nine) month period. The District will make such change when the employee returns from leave. The adjustment will be to subtract the amount of calendar time spent on leave from the original date of hire, thereby placing the employee on the adjusted date of hire. If the employee's adjusted date of hire is the same as other employees, the adjusted employee will have the largest seniority number among such employees.

(g) The classification of Instructional Assistant-Classroom, Infant Center Aide, Pre-School Aide, and Health Clerk (Pre-School) shall be considered one classification for purposes of layoff and reemployment.

Section 2. Employees shall receive thirty (30) days written notice of layoffs.

Section 3. Employees shall be laid off according to their status in the following order: first, substitute and/or short-term employees; second, probationary employees; third, permanent employees

Section 4. Layoffs shall be effected within a class. The order of layoffs within a class shall be determined by length of service. An employee who has been employed the shortest time in the class, plus higher classes, shall be laid off first. Service shall be based on seniority number in the class plus higher classes, excluding overtime.

Section 5. An employee laid off from his or her present class may bump into the next lower class in which the employee has greatest seniority considering his/her seniority in the lower class and any higher classes. The employee may continue to bump into lower classes to avoid layoff. An employee may only bump into classes in which the employee has previously been employed in permanent status by the District. However, an employee may bump into a class in which the employee was a probationary employee with the District if the lower class is within the same job family as the position from which the employee was laid off.

(a) In the event an employee to be laid off does not have any bumping rights pursuant to Section 5 above, and if said employee possesses sufficient seniority and qualifications, he or she may bump into an equal or lower class in which he or she has not previously served that one (1) of the following conditions exist:

1. The class into which the employee will bump is part of the same job family as the class from which the employee is bumping; or

2. Due to reclassification action an employee's previously held class has been changed as to job title or salary range in a manner which precludes bumping pursuant to Section 5, above, and however, the duties and qualifications of the reclassified position or class are generally the same as when it was held by the employee.

If the operation of this subsection would allow an employee to bump into more than one (1) class, the District in its sole discretion may designate the one (1) class into which the employee may bump. The intent of this subsection is to reduce the possible adverse impact of other sections of the Agreement on employees in classes subject to layoff and to enhance their job security in a manner consistent with the needs of the District and the qualifications of senior employees. In consideration of the general standards set forth in this subsection, its provisions shall not be subject to the grievance and arbitration procedure of this Agreement. Application of the provisions of this subsection shall be the subject of consultation between the District and the Association and, if no agreement is reached, shall be appealable by the Association to the Board of Education, the decision of which shall be final. The Association does hereby agree to defend, if requested by the District, as well as indemnify and shall save the District harmless against any and all claims, demands, disputes, suits or other form of liability that may arise out of, or by reason of, any action taken or not taken by the District in compliance with this subsection, including the reasonable cost of any defense made necessary by any such claim, demand, dispute, suit or other form of liability.

Section 6. An employee who elects a layoff in lieu of bumping maintains his/her reemployment rights under this Agreement.

Section 7. If two (2) or more employees subject to layoff have equal class seniority, plus seniority in higher classes, the determination as to who shall be laid off will be made on the basis of the greater hire seniority, and if that be equal, then the determination shall be made by lot.

Section 8. Laid off persons are eligible for reemployment in the class from which laid off for a thirty-nine (39) month period and shall be reemployed in the reverse order of layoff. Their employment shall take precedence over new applicants.

In addition, they shall have the right to apply for promotional positions within the filing period specified in the posting. Upon written request by the employee, an employee on a reemployment list shall be notified of promotional opportunities.

Section 9. Employees who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff shall be, at the employee's option returned to a position in their former class or to positions with increased assigned time as vacancies become available, and with no time limit, except that they shall be ranked in accordance with their seniority on any valid reemployment list.

Section 10. Any employee in the bargaining unit may elect to accept a service retirement in lieu of layoff, voluntary demotion, or reduction in assigned time. Such employee shall within ten (10) workdays prior to the effective date of the proposed layoff submit a request to the District for this purpose.

Section 11. The employee shall then be placed on a thirty-nine (39) month reemployment list. However, the employee shall not be eligible for reemployment during any other period of time except as may be specified by pertinent Government Code Sections.

Section 12. The District agrees that when an offer of reemployment is made to an eligible person retired under this Article, and the District received within ten (10) working days a written acceptance of the offer, the position shall not be filled by any other person, and the retired person shall be allowed a reasonable time to terminate his/her retired status.

Section 13. An employee subject to this Section who declines an offer of reemployment equivalent or better to that from which laid off shall be deemed to be permanently retired.

Section 14. Any election to retire after being placed on a reemployment list shall be retirement in lieu of layoff within

the meaning of this Section. However, time already on reemployment lists counts as part of the thirty-nine (39) month period set forth in Section 11.

Section 15. Any employee who is laid off and is subsequently eligible for reemployment shall be notified in writing by the District of any opening. Such notice shall be sent by certified mail to the last address given to the District by the employee, and a copy shall be sent to CSEA by the District, which shall fulfill the notification responsibility of the District.

Section 16. An employee shall notify the District of his or her intent to accept or refuse employment within ten (10) working days following receipt of the reemployment notice. If the employee accepts reemployment, the employee must report to work within fourteen (14) working days following receipt of the reemployment notice, or on the reporting date specified by the District, whichever is last.

Section 17. Upon reemployment, employee shall retain all seniority accrued prior to their layoff.

Section 18. The District shall provide the Association with an appropriate seniority roster as far in advance of the implementation of any layoff as is reasonable under the circumstances.

Section 19. Employees who accept a position in a lower classification in order to return to paid status shall retain the rights in this Agreement to return to the position from which laid off.

ARTICLE 20 - RETIREMENT

Section 1. The District agrees to continue for the duration of this Agreement those contributions toward retirement benefits as required by law.

Section 2. Nothing within this contractual Agreement shall prevent a classified employee from retiring as early as age fifty (50) if completed at least five (5) years of service.

Section 3. When an employee regularly works four (4) hours or more daily, or eighty-seven (87) hours or more monthly, a deduction will be taken from his/her salary for OASDI (Social Security) and the Public Employee's Retirement System.

Section 4. Classified employees who fully retire from the District and who are fifty-five (55) years of age or older and who have served the equivalent of ten (10) years full time classified capacity (twelve (12) months eight (8) hours per day), shall be entitled to receive individual coverage under a District health plan at the expense of the District for a period not to exceed ten (10) years or until the employee reaches age sixty-five (65), whichever is earlier.

ARTICLE 21 - PERFORMANCE EVALUATION

Section 1. The performance of the classified employees shall be reviewed and evaluated periodically.

(a) Permanent employees shall receive a written evaluation at least once a year. The District may elect to evaluate permanent employees with all "standard" or better ratings in the prior written evaluation once every other year. The District will notify employees that they will not be evaluated in the year of [appropriate year] due to their standard or above rating on the prior year's evaluation.

(b) Probationary employees are subject to written evaluation at the end of the second month and each third month thereafter during the probationary period and shall be evaluated at the end of the probationary period.

Section 2. The evaluation of classified employees shall be conducted by the employee's immediate supervisor.

(a) All persons responsible for evaluation will be trained periodically in the skills of evaluation.

(b) All evaluations conducted by persons not designated as management shall be reviewed and countersigned by the designated management person to the area of employment of the employee in question.

(c) The evaluator and the employee shall discuss the evaluation, the employee being evaluated, and the management supervisor if the evaluator is not a designated management person. The employee's signature indicates only that the employee has seen the evaluation, and does not necessarily indicate concurrence with the evaluation.

(d) Every effort shall be made to complete all evaluations no later than May 30 of each year. Employees shall be given a copy of their proposed evaluation at the time the employee signs it or is given an opportunity to sign it.

(e) A copy of each evaluation shall be placed in the employee's personnel file. The employee may submit an attachment to the evaluation if it is believed that clarification of the employee's position is desired or if the employee believes statements on the evaluations are incorrect. No evaluation shall be placed in any personnel file without an opportunity for discussion between the employee and the evaluator.

(f) In the event the evaluator assigns a "Weak" or "Unsatisfactory," the evaluator shall include an explanation of the reason(s) for such markings and provide recommendation(s) for ways to improve performance. The foregoing shall not apply if the evaluator recommends termination.

Section 3. Unscheduled performance evaluation reports recognizing outstanding or significantly improved performance may be made at any time by the employee's supervisor. Such reports may be made a part of the employee's personnel file with the employee's permission.

Section 4. Only the evaluation process and not the evaluation itself shall be grievable under this Agreement.

Section 5. Notwithstanding Section 4 above, alleged false statements of fact may be appealed to the Superintendent or his/her administrative designee, whose determination shall be final.

Section 6. Evaluations for classified employees are meant to be corrective in nature rather than punitive and not to be used as a means of disciplining an employee, but rather as a means of formal notification of performance which, if deficient, and if the deficient performance continues, may lead to disciplinary action. The use of performance evaluations in disciplinary action shall be limited to a showing that the District has notified the employee of perceived deficient performance, and the employee's rebuttal, if any, shall be considered in determining the applicability of the evaluation to the proposed discipline.

ARTICLE 22 - COMPLAINTS FROM THE PUBLIC

Section 1. Any citizen or parent complaint concerning a classified employee shall be reported to the employee by the administrator receiving or having knowledge of the complaint, if the complaint is deemed substantial.

Section 2. Should either the involved classified employee or the immediate supervisor of the employee and/or other District level administrator believe that such complaint warrants a meeting with the complaint, a meeting with the complainant shall be attempted to be arranged. Any meeting between a classified employee and a complainant regarding a complaint reported to the classified employee by an administrator shall be with the prior knowledge of the immediate supervisor and the immediate supervisor and/or other District level administrator may be present at any such meeting. The affected employee shall be entitled to make a reasonably appropriate response to the complaint at this time.

ARTICLE 23 - PERSONNEL FILES

Section 1. The Board shall maintain the personnel files of classified employees at the District Central Offices. Such files shall be available for inspection as set forth hereafter.

There shall be no right of inspection to any other files relating or pertaining to classified employees which may be kept by building administrators or others, but any disciplinary action taken against a classified employee may be based only on materials which are contained or placed in the District Office personnel file. Employees shall be provided with copies of any derogatory written material ten (10) workdays before it is placed in the employee's personnel file. The foregoing shall not preclude the imposition of discipline including termination prior to the expiration of the ten (10) day period.

Section 2. Every classified employee shall have the right to inspect his or her personnel file upon request provided that the request is made at a time when such person is not actually required to render services to the Board and when the Personnel Assistant responsible for the employee files is available to be in attendance. Personnel files, which may be inspected, shall not include such materials as rating, reports or records which were obtained prior to the employment of the person involved or were prepared by identifiable examination committee members or were obtained in connection with a promotional examination.

Section 3. Information of a derogatory nature, except materials mentioned in Section 2 above shall not be entered or filed unless, and until the employee is given notice in accordance with Section 1 of this Article. An employee shall have the right to enter, and have attached to any such derogatory statement, his / her own comments thereon. Such review shall take place during business hours, and the employee shall be released from duty during other than student hours for this purpose without salary reduction.

Section 4. All classified employees who want to inspect their personnel file shall make an advance appointment. Personnel files shall be available for inspection during regular office hours each day the office is open for business and during the Central Office lunch hour at least two (2) days per week.

Section 5. For the purpose of confidentiality, each personnel file at the District Central Office shall have a sheet provided therein for any person who inspects the file to indicate his or her name and the date of inspection. The District shall issue instructions that all persons, except clerical personnel, shall sign and date such sheet.

Section 6. All material of any evaluative or derogatory nature placed in a personnel file shall indicate the date it was prepared or placed in the file and who was responsible for its preparation.

Section 7. The Association has the right to inspect an employee's personnel file upon presentation of written authorization from that employee. Such inspections shall be at reasonable times and in accordance with Sections 2 and 5 of this Article.

ARTICLE 24 - SALARIES

(b) Effective September 1, 1985, and each month thereafter, the District shall pay each participating unit member's contribution to the Public Employees Retirement System (PERS).

Section 2. Guidelines for computing the amount of each salary payment:

(a) Paychecks for all employees working regular assigned hours will be computed accordingly. Bargaining unit members working a full month shall be paid according to the monthly salary chart using the appropriate percentage: 8 hrs. = 100%, 6 hours = 75%, 4 hours = 50%.

(b) Any unit employee who works a partial pay period will be paid only for those days (or hours) worked and/or in other days (or hours) in paid status.

(c) The paycheck for the last pay period in which a unit employee is in a paid status will reflect payment only for the hours worked and any and all necessary adjustments.

(d) For purpose of this Article, a part-time employee is any employee who works less than eight (8) hours per day.

Section 3. Classified employees who must travel in the course of employment between duty stations in their own vehicle during duty hours, will receive compensation for mileage at the rate provided for by the Internal Revenue Code. (At the time the mileage is driven.)

ARTICLE 25

GUIDELINES FOR OVERTIME WORK

Section 1. In determining a employee's eligibility for pay at the overtime rate, all paid status time must be considered as time actually worked. This includes sick leave, industrial accident leave, paid vacation and holidays, or any other paid leave, in addition to actual time worked.

Section 2. The normal workday shall be eight (8) hours; the normal workweek forty (40) hours. Hours worked above eight (8) hours in any day are overtime, even though the total hours for the workweek are not over forty (40). The District will compensate for overtime at a rate of one and one-half (1 1/2) times the hourly rate set forth in Appendix B.

Section 3. The workweek is five (5) consecutive days for employees. Work on the sixth (6th) and or seventh (7th) day will be compensated at one and one-half (1 1/2) times the hourly rate set forth in Appendix B. Employees whose average workday is less than eight (8) hours per day shall be paid straight time up to eight (8) hours per day for five (5) days and will be compensated at time and one-half (1 1/2) for work on the sixth (6th) and seventh (7th) consecutive day.

Section 4. When compensatory time off is authorized, in lieu of cash compensation, such time must be approved by the immediate supervisor. Employees may elect cash compensation in lieu of accepting compensatory time off. The election shall be made in the pay period in which the overtime was worked.

Section 5. Overtime shall be offered in such a manner as to distribute as equally as is practical.

Section 6. Overtime or extra time must be ordered and authorized by the District before compensation or compensatory time off is approved.

Section 7. The District shall not allow employees to perform overtime or extra time work without the payment of compensation at the applicable rate of pay. Employees who perform

work in variance with this provision may be subject to disciplinary action.

Section 8. Notwithstanding the provisions of Section 2 of this Article, the District may establish a ten (10) hour per day, forty (40) hour, four (4) consecutive day workweek for all, for certain classes of the bargaining unit, or for bargaining unit members, within a class when, by reason of the work location and duties actually performed by such bargaining unit members, their services are not required for a workweek of five (5) consecutive days, provided the establishment of such a workweek has the concurrence of the concerned bargaining unit members(s) as determined by the Association. When a four (4) day workweek is established, the overtime rate shall be paid for all hours worked in excess of the required workday, which shall not exceed ten (10) hours. Work performed on the fifth (5th), sixth (6th), and seventh (7th) days shall be compensated for a rate equal to one and one half (1 1/2) times the regular rate of pay of the employee designated and authorized to perform the work.

ARTICLE 26 - EMPLOYEE BENEFITS

Section 1. For the duration of this Agreement, the District shall contribute to each full-time classified employee covered by this Agreement an amount equal to the combined cost of Kaiser family coverage, dental insurance as provided in Section 2 below, and life insurance as provided in Section 3 below toward the purchase of employee benefits set forth in this Article. Such benefits shall be paid in ten (10) monthly installments which will provide coverage from October 1 to the following September 30 of each contract year.

Section 2. Each classified employee shall have deducted from the above amount a sum equal to the composite premium for a dental insurance program with a one thousand five hundred dollar (\$1,500) cap per year. It is required that all employees participate in this program.

Section 3. Each classified employee shall have deducted from the above a sum equal to the premium for a five thousand dollar (\$5,000) term life insurance policy. It is required that all employees participate in this program.

Section 4. Each classified employee shall have deducted from the above amount a sum equal to the premium for a short term disability plan with Pacific Educators, Inc. It is required that all employees participate in this program. (Employees may elect to pay this premium through a payroll deduction rather than deducted from the fringe benefit amount.)

Section 5. Classified employees may elect to have the remaining amount (the amount set forth in Section 1 less dental insurance and life insurance premiums) and disability premium, if paid from benefit package, credited to the

premium cost of the health insurance and/or income protection plan(s). Employees may elect the health insurance plan offered by the Kaiser Foundation Health Plan, Partners, or Health Net. Any additional premium cost of Inland Health Plan or Health Net above that for Kaiser shall be borne by the employee if it exceeds the amount contributed to the employee under Section 1. The District may add additional health insurance carrier(s) at its option.

Section 6. Classified employees upon proof of medical coverage and who do not select a Group Health plan may elect to request that the balance in Section 5, above, be credited to a program of Tax Sheltered Annuity purchase. Tax Sheltered Annuities shall be of the classified employee's choice. If such an election is the choice of the employee, the employee shall show evidence of health insurance coverage from another source. Tax Sheltered Annuities purchase may be made with that portion of the Group Health plan not utilized by the participating employee. TSA's shall be calculated in relation to full-family Kaiser (as previously calculated), with caps set as follows:

	Life, Medical, & Dental Insurance	TSA's
1988-89	\$3687	\$3240
1989-90	\$4150	\$3340
1990-91	\$4482	\$3440
1991-92	\$4841	\$3540

If the cost of the fringe benefits exceeds these amounts, the District and the Association will meet again to discuss options in terms of how to fund the additional cost of fringe benefits. The District will not pay any additional monies. Options would be to cut benefits, find another carrier, or reallocate monies that are already committed. TSA's are capped at \$100 additional each year.

The total amount of TSA's due an employee shall be paid in one lump sum by July 30 of the year in which the TSA was accrued.

Section 7. Classified employees on leave without pay shall have the option of continuing health, dental, and life insurance premiums at their own expense during the period of the unpaid leave.

Section 8. Those employees on the payroll as of November 23, 1976, who work less than eight (8) hours per day but four (4) hours or more per day shall receive the full benefits set forth in Section 1 of this Article. Employees who work less than four (4) hours per day shall receive no contributions under this Article. Employees hired after November 23, 1976, who work four (4) hours or more shall receive a pro-rated amount based on a ratio in which the numerator is the number of hours worked per day and the denominator is eight (8). Thus, by way of example, a four (4) hour employee is entitled to a maximum contribution that is fifty percent (50%) of the sum set forth in Section 1.

ARTICLE 27 - PAID LEAVES OF ABSENCE

(a) Less than twelve (12) month classified employees who work summer assignments shall receive credit for sick leave in the amount proportionate to the extra hours worked.

(b) All sick days earned from regular or summer assignments are applied to accumulative sick leave of the employee.

Section 6. A doctor's certificate or other proof of illness or disabling condition may be required by the District for any illness or disabling condition which the absence is three (3) days or more or when under reasonable circumstances the classified employee has been informed that verification for future absences will be required. Such verification statements may be required by the Personnel Office.

Section 7. When a classified employee is absent from his/her duties on account of illness or accident for a period of five (5) school months or less, and accrued sick leave is exhausted, the amount deducted from the salary due him/her for any month in which the absence occurred shall not exceed the sum which is actually paid a substitute employee employed to fill their position during the absence.

Section 8. In lieu of entitlement of extending sick leave pursuant to Section 7, above, employees with at least five (5) years of continuous service shall be entitled to the following:

(a) For the first (5) consecutive days of each such absence, the employee shall receive the difference between the employee's salary and the salary actually paid a substitute employee and

(b) After the first five (5) consecutive days of an absence in paragraph (a) above, the employee shall receive extended sick leave benefits at fifty percent (50%) of the employee's regular rate of pay, as provided below. Employees shall once each school year be credited with a total of one hundred (100) days of extended sick leave including days to which he/she is entitled under Sections 3 and 7, above, including accumulations. For example, if an employee out ill for fifty (50) days has ten (10) days of accumulated sick leave when the illness starts, the employee will receive regular pay for the first ten (10) days, differential pay for the next five (5) days, and fifty percent (50%) pay for the remaining thirty-five (35) days. If later in the school year the employee is out ill for another fifty (50) days, the employee will receive differential pay for the first five (5) days and fifty percent (50%) pay for the remaining forty-five (45) days.

Section 9. (a) The District shall provide for a leave of absence from duty for the classified employee who is required to be absent from duties because of pregnancy, miscarriage, childbirth, and recovery therefrom. The length of the leave of absence, including the date on which the leave shall commence and the date on which the employee shall resume duties, shall be determined by the employee and the employee's physician.

(b) Disabilities caused or contributed to be pregnancy, miscarriage, childbirth, and recovery therefrom are, for all job-related purposes, temporary disabilities and shall be treated as such under any health or temporary disability insurance or sick leave plan available in connection with employment by the District. Except as provided herein, written and unwritten employment policies and practices of the District shall be applied to disability due to pregnancy or childbirth on the same terms and conditions applied to other temporary disabilities.

Section 10. Classified employees may use at their election accumulative sick leave not to exceed six (6) days per year for cases of personal necessity for the following reasons using the procedures below:

(a) Personal necessity not requiring advance notification to be absent from duty but must show proof of need for use of personal necessity.

In order to take personal business leave a written request must be made at least three (3) working days prior to the date of such leave, unless urgent and unforeseen circumstances preclude this. Such leave may not be taken the first five (5) and the last five (5) days of any school semester or the day before or after a holiday or vacation, except with the express written approval of the Superintendent or designee for situations requiring the employee's absence and which cannot be scheduled at a different time. Personal business leave must be taken in at least one half (1/2) day increments. Personal business leave must be taken in at least one-half (1/2) day increments. The number of employees on personal business leave on any day may not exceed ten percent (10%) of each department or school. The foregoing shall not preclude personal business leaves requested by an employee in departments with ten (10) or less employees. Approval of personal business leave request is subject to the reasonable approval of the District.

3. Paternity and / or maternity absences of two (2) days per year shall be granted provided such absences are taken just before, during or immediately following the birth of the child or the adoption of a child.

4. Religious holidays normally standardized by the religious denominations may be observed by personnel upon request as long as the total number of personal necessity days is not exhausted.

("Immediate Family" means those relatives or step-relatives bearing the following relationship to employee claiming bereavement leave, or to the employee's spouse: mother, father, son, daughter, brother, sister, grandparent, grandchild, or any person living in the employee's household.) With respect to the death of a foster parent, or foster children, the employee may utilize available personal necessity leave. Employees who use more than their bereavement or available personal necessity leaves shall be in unpaid status for such additional leave.

Section 12. Classified employees under this agreement who are absent from duty because of industrial illness or injury qualifying for Workers' Compensation and who have been continuously employed by the District for at least two (2) years, are granted Industrial Accident and Illness Leave. Such

leave shall apply from the first day of any such absence from duty to and including the last day of such absence from duty but not exceeding sixty (60) working days in any fiscal year for the same industrial accident or illness. Such leave shall not be accumulative from year to year.

(a) The amount of salary paid to personnel on Industrial Accident or Industrial Illness leave shall be the same as the individual normally received prior to the accident. In such cases, the employee shall endorse to the District wage loss benefit checks received under the Workers' Compensation laws.

(b) Upon termination of sixty (60) days of absence because of industrial accident or illness, whether they are receiving Workers' Compensation benefits or not, personnel may use that portion of accumulated sick leave, compensating overtime and/or vacation, so as to maintain their income not to exceed their regular salary and accumulated compensatory time and/or vacation.

(c) During the period of Industrial Accident or Illness leave, the District shall issue personnel appropriate salary warrants and shall deduct retirement and other authorized contributions from such warrants.

An employee called to jury duty but released with at least two (2) workable hours of his/her normal assignment shall report immediately to his/her job site supervisor and serve for the remainder of the workday. However, any employee whose regular assigned shift begins between 4:00 p.m. and 3:00 a.m. shall not be required to report to work on any day on which the employee is required to serve the entire day on jury duty. Nothing in this Section shall have as its purpose or effect a tendency to encourage employees to seek exemption from jury duty.

Section 15. All employee leaves under this Article shall be considered leaves with pay and a continuation of all job benefits shall be paid by the District, and seniority shall continue to accrue during periods of leave with pay.

Section 16. When all available paid leaves of absence have been exhausted and if the employee is not immediately able to assume the duties of the person's position, the person shall be placed on a reemployment list for a period of thirty-nine (39) months. When available, during the thirty-nine (39) month period, the person shall be employed in the first vacant position in the class of the person's previous assignment, subject to the provision of Article 18. A person on a reassignment list who has been medically released to return to duty and who fails to accept an assignment in the previous class within ten (10) working days shall be dismissed.

ARTICLE 28 - NON-PAID LEAVES OF ABSENCE

Section 1. All leaves described under this Article shall be without pay during the term of leave, when approved by the Board of Education. The regular pay received by the employee on leave and all benefits from employment shall be discontinued.

Section 2. Whenever feasible, a classified employee returning from a non-paid leave of absence approved by the Board of Education will be returned to the job classification and site to which the employee was assigned before the approved leave. If it is not feasible to return the employee to this exact job site, the District will attempt to return the employee to a position as similar to the one the employee left as feasible.

Section 3. Personal leave of absence may be requested by the classified employee. Leaves of absence for personal reasons, five (5) days or less, may be approved by the Superintendent. All requests for personal leave greater than five (5) days shall be submitted to the Board of Education for its consideration. The granting of any such leave is solely at the discretion of the Board or of the Superintendent as the case may be.

Section 4. The Board may approve a leave of absence not to exceed one (1) year and not to be less than one (1) academic semester for the purpose of attendance and enrollment of the classified employee in a course of study at an accredited institution in an area relating to the general assignment or for the purpose of study or retraining.

Section 5. Employees shall be granted military leave as required under applicable law and shall retain those rights and privileges guaranteed under such law.

Section 6. A leave for the purpose of child care (post maternity) may be approved by the Board of Education upon request of a classified employee. A child care leave may be requested to begin at any time after the beginning of the term of

pregnancy and as late as that date established by the employee's physician as the time at which the employee is defined as disabled and unable to perform her assigned functions. In no case shall child care leave be approved for a period longer than two (2) consecutive semesters. The child care leave is designed primarily for the post natal care of an infant and may ordinarily only be approved for that purpose.

Section 7. An extended illness leave may be approved by the Board upon the request of a classified employee whose condition of health is determined by a licensed physician as such that the employee is prevented from performing his/her professional functions. Such determination shall be provided to the District in a written statement from a licensed physician. Any such leave shall not be more than six (6) months unless the Board provides otherwise. Request for early return is subject to approval by the Board.

Section 8. When no other leaves are available and when prior request has been submitted setting forth reasons for such leave, the District may grant an employee a leave not to exceed one (1) working month.

Section 9. Classified employees on approved unpaid leave for a period greater than fifty percent (50%) of a given employee's workyear shall not receive credit for annual salary increment for the year of the leave.

ARTICLE 29 - GRIEVANCE PROCEDURE

Section 1. The purpose of this grievance procedure is to provide means by which rights disputes may be resolved in an equitable and efficient manner. A grievance is a claim by an employee covered hereby that a provision of this Agreement has been or will be violated by the District and that because of such violation his or her rights have been or will be adversely affected. A grievance shall not include any claim or request to challenge, change, amend or add to existing policy, rules or regulations, or to adopt or negotiate new policies, rules or regulations. In the event of any inconsistency between the foregoing and this Agreement, this Agreement shall prevail. The Association specifically waives its right to grieve any and all employer-employee relations matter for which a different method of review is provided by law. A grievance also shall not include any alleged unfair labor practice, any matter arising under the Workers' Compensation Law, any matter arising under the Unemployment Insurance Law, or any matter for which a different method of review is specifically provided by law with the exception of matters relating to safety, matters which the parties agree shall be subject to the grievance process in lieu of being subject to another method of review, and matters subject to the grievance procedure under other Articles of this Agreement. In all cases in which a matter is grieved and resolved, this shall be the final resolution of the matter and no party shall be entitled to seek review of the same matter before

another entity. Similarly, in all cases in which a matter is submitted for review and resolution by a different mechanism other than through the grievance procedure, resolution of that matter through this other mechanism shall constitute final resolution of the matter and the matter shall not be subject to this grievance procedure. A grievance shall not include Article 35 on suspension, demotion and dismissal or other rules and regulations of the School Board. In cases involving a claim that the terms of Articles 7 and 9 have been violated, the Association shall have the right to file a grievance on its own behalf. In all other cases, there shall be no such right. The District shall not take the position in any grievance proceeding pursuant to this Article that the fact that an individual employee has elected not to file a grievance as to particular District conduct, under circumstances in which the Association has no right under this Agreement to file a grievance, establishes that the Association has acquiesced to such conduct.

Section 2. Should a grievance arise, it shall be handled in the following manner:

(a) An employee's grievance must be submitted orally in an informal conference to the employee's immediate management supervisor within twenty (20) working days after the grievant knew or reasonably should have known of the act or omission giving rise to the grievance. However, under no circumstances may a grievance be initiated any later than six (6) calendar months after the occurrence of the act or omission giving rise to the grievance. If the matter is not resolved at the informal conference, the grievant may within ten (10) working days after the informal conference, whether or not there is an informal response, present his or her grievance in writing to his or her immediate management supervisor.

(b) The grievance shall be reduced to writing and signed by the grievant and shall state the circumstances on which the grievance is based, the date of occurrence, the identity of the employee or employees who claim to be aggrieved, the specific sections and terms of this Agreement allegedly violated, and the remedy sought. A grievance may include more than one (1) employee provided the issue is identical for each, and all employees affected thereby sign the grievance form if possible.

(c) The Management Supervisor shall answer the grievance in writing within ten (10) working days after receipt.

(d) In the event the grievance is not satisfied with the answer given, the grievant may appeal the decision on the form mutually agreed to by the Association and the District to the Superintendent or his/her designee within ten (10) working days after the receipt of his or her management supervisor's decision. The Superintendent or his/her designee will communicate a decision in writing within ten (10) working days of receipt.

(e) Any grievance not processed by an employee in accordance with the time limits set forth herein shall not be subject

to binding arbitration and shall be considered settled on the basis of the decision last made by the District. If at any step the District fails to respond to a timely manner, the grievant may proceed to the next step.

(f) A grievant shall be entitled, upon request, to representation by the Association at any grievance meetings. An employee covered by this Agreement may present a grievance directly and have such grievance adjusted without intervention of the Association as long as the adjustment is not inconsistent with the terms of this Agreement. The Association shall be provided with a copy of any grievance filed by an employee directly and any response by the District prior to resolution of any grievance.

(g) A reasonable amount of release time will be granted to one (1) Association representative to process any grievances.

(h) No reprisals of any kind will be taken by the District or the Association against any grievant, the Association or any participant in the grievance procedure because of the fact of such participation.

(i) Grievance forms and other forms necessary to the operation of the grievance procedure shall be agreed upon by the District and the Association. The costs of typing and reproducing such forms shall be borne by the District.

(j) If a grievance involves significant numbers of employees or district-wide application of this Agreement, the grievance shall be submitted by the Association at Section 2(d); the Association must initiate all grievances in accordance with the time limits set forth in Sections 2(a) and 2(d).

Section 3. (a) Grievances which are not concluded pursuant to the procedures set forth in Section 2 and which the Association desires to appeal, shall be submitted to binding arbitration as set forth in this paragraph, provided that written notice is given to the District by the Association within twenty-two (22) working days after the answer of the Superintendent or his/her designee is received. Only the Association shall have a right to appeal a grievance to binding arbitration.

(b) Upon receipt of the Association appeal, the District and the Association shall meet to select an arbitrator. The arbitrator shall be selected from the following panel, unless the District and the Association agree otherwise. Each party shall alternately strike a name until only one (1) name remains who shall be the arbitrator. The party who strikes the first name shall be determined by lot.

Richard Calister
Edna Francis
Joe Gentile
Bill Haney
Emily Maloney
Ken Perea
Phil Tamoush

(c) The fees of the arbitrator shall be shared equally by the parties. Either party may request a transcript of the proceedings and the party requesting such transcript shall bear the cost. Each party shall bear the expense of the presentation of its own case. The Board shall provide reasonable release time for the Association representatives, the grievant, and the Association witnesses for any time spent at any arbitration. However, the Association will make every reasonable effort to call only necessary witnesses and to avoid cumulative testimony. Furthermore, every reasonable effort will be made by the Association to call witnesses on a staggered basis so as to avoid one (1) or more witnesses to testify while another witness is testifying. Witnesses called by the Association will only be entitled to reasonable release time for periods of time they are waiting to testify in those instances where such waiting time is not reasonably avoidable. No compensation will be paid to witnesses called by the Association for any time required to attend an arbitration proceeding other than during normal scheduled working hours. Arbitration shall be conducted, taking into consideration the calendar of the arbitrator, at reasonable mutually agreeable times.

(d) The decision of the arbitrator shall be binding, except to the extent limited by applicable law.

(e) The arbitrator shall have no power to alter, amend, change, modify, add to or subtract from any of the terms of this Agreement. The decision of the arbitrator shall be based solely upon the evidence and arguments presented to him/her by the respective parties in the presence of each other, as well as briefs, if any, submitted by the parties. No finding shall be retroactive, and the arbitrator shall have no authority to hear and issue a finding upon more than one (1) grievance at a time unless the District and the Association expressly agree otherwise.

ARTICLE 30 - PHYSICAL AND MENTAL EXAMINATIONS

Section 1. Each classified employee is required to provide evidence that he/she is free from tuberculosis. This may be in the form of a chest x-ray, Tine test and/or a statement from a medical doctor that tuberculosis is not evident. A report of this examination shall be on file in the Personnel Office by October 1st every four (4) years. The District will pay the fee as charged in September of each year by the Lung Association of Riverside County, or successor organization, for each x-ray given to a classified employee.

Section 2. The District may require a classified employee to submit to a psychiatric examination when reasonable cause exists to believe that the employee is suffering from mental illness of such a degree to render the employee incompetent to perform assigned duties. Such examination shall be conducted at District expense by a physician selected by the District. The District will arrange for the appointment and if possible have it scheduled during the employee's normal workday.

Section 3. The District may require a classified employee to submit to a complete physical examination to be paid by the District by a physician selected by the District when good cause exists to believe that the health of the employee is a detriment to the performance or professional responsibilities. The District will arrange for the appointment and if possible have it scheduled during the employee's normal workday.

Section 4. Time spent in conjunction with the examination specified in Sections 2 or 3 above, shall be time in paid status at the straight-time rate. Additionally, the District shall reimburse the employee for any mileage (unless the District offers to provide transportation.)

ARTICLE 31 - RECRUITMENT AND SELECTION OF PERSONNEL

Section 1. Notices of all job openings will be distributed to Principals, heads of services, and building representatives of CSEA, who will be responsible for posting them on the classified bulletin board.

Section 2. The job vacancy notice shall include: the job title, a brief description of the position and duties, the minimum qualifications required for the position, the salary range, and the deadline for filing to fill the vacancy.

Section 3. Notices concerning tests, vacancies, assignments, etc., must be posted for at least five (5) working days, and if changes might affect an employee not working because school is not in session, notices shall be mailed to probationary and permanent classified employees who may be affected by changes and who will not be reporting for work during periods when such employees are not normally required to work, and who have previously requested the information, or who requested such information in writing.

Section 4. The District shall not employ any students under any secondary school or college work-study program, or in any state- or federally-funded work experience program in any position that would directly or indirectly, detrimentally affect the wages, hours, transfer or reassignment of any employee in the bargaining unit.

Section 5. After employment, each change in classification each affected employee in the bargaining unit shall receive a copy of the job description, a specification of the monthly and hourly rates applicable to his or her position, a statement of the duties of the position, a statement of the employee's regular work site, regularly assigned work shift, the hours per day, days per week, and months per year.

ARTICLE 32 - GENERAL EMPLOYMENT REQUIREMENTS

Section 1. Each person employed in the District shall be fingerprinted at the County Sheriff's Office within ten (10) days working days of the date of employment. All costs for fingerprinting shall be paid by the District.

Section 2. Each candidate for a probationary appointment may be required to pass a medical examination conducted by a physician designated and paid by the school District. All bus drivers must have a physical examination at the District's expense at least once every two (2) years.

ARTICLE 33 - ASSIGNMENT OF CLASSIFIED EMPLOYEES

Section 1. The District shall have authority to assign each new classified employee. Such assignment shall be made in accordance with the employee's qualifications and needs and best interests of the school District. Transfer of current employees shall be made only in accordance with the Transfer Article of this Agreement.

Section 2. No employee shall, without the employee's voluntary written consent, be assigned the duties of a position other than their regularly assigned position for more than ninety (90) working days in any twelve (12) month period. An employee assigned duties in a higher classification shall have the salary adjusted upward for the entire period required to work in a higher classification.

Section 3. If assigned to duties normally performed by employees in a higher classification, the employee shall receive the salary range assigned to the higher classification on the lowest step which will give an increase over the employee's regular salary. In no event shall an employee working in a higher classification receive less than ten percent (10%) above the regular rate of pay.

Section 4. In cases where an employee is lawfully temporarily reassigned to a different position of an equal or lower salary range, the employee shall be permitted to retain the step and salary he/she held in the former position.

Section 5. Whenever the duties performed by an incumbent in a position are not reflected in, or reasonably related to, the specific statement of duties required to be performed as set forth in the job description for the position, the employee shall be reclassified or granted pay for work out of classification in accordance with the criteria and procedure set forth below.

Section 6. Where the duties performed are not fixed and prescribed for the position, or reasonably related thereto, and where upon the completion of which, such duties or related duties will not be extended or needed on a continuing basis, the employee shall be entitled to any upward adjustment for the entire period such temporary duties were performed, provided that the assignment was for a period of more than five (5) working days during any fifteen (15) calendar day period. It is the intent of this Section to permit the District to temporarily work bargaining unit employees outside their normal duties, but in so doing to require that some reasonable additional compensation be provided the employee during such temporary assignment. The District agrees that it will not assign employees to out of classification work for the purpose of avoiding payment under this Section.

Section 7. (a) Where the duties performed are not fixed and prescribed for the position, or reasonably related thereto, and where the duties will be extended or needed on a continuing basis, the position should be reclassified. It is the intent of this Section to provide for reclassification where there has been a substantial or significant increase or change in the duties being performed by incumbents in such position, where such increases or changes are not temporary in nature. Reclassification of positions and the effects on incumbents shall take place only in accordance with Section 9, below.

(b) Reclassification is distinct and separate from the upgrading of salary ranges of position where the duties have not substantially or significantly increased or changed. Such upgrades are not subject to the provisions of this Article, but shall be subject to the collective bargaining process when salaries are next open for negotiation.

Section 8. The Grievance Procedure of this Agreement shall be used for claims for pay for work out of classification but not for proposals that position(s) be reclassified.

However, if at any level of the Grievance Procedure the parties agree that the issue is reclassification, the time limits in the Grievance Procedure shall be held in abeyance to allow the parties to implement Section 9, below. Should such be unsuccessful, the Grievance Procedure may then again be used to continue to pursue the issue of "working out of classification."

Section 9. (a) This procedure shall be used for disputes regarding reclassification of positions as defined in Section 7, above.

(b) The parties shall meet and consult regarding any reclassification matters that arise under Section 8, above. If agreement is reached between the parties, the result shall be submitted to the Board of Education and if ratified shall be incorporated into this Agreement.

(c) Except as provided in Section 8, above. If agreement or Board ratification is not attained, the status quo shall remain in effect until the next annual negotiations reopener, at which time those segments of the reclassification issue that are within the scope of bargaining shall be subject to negotiations. For purposes of this Section, "status quo" shall include the job duties, salary ranges, minimum qualifications, and job titles assigned such positions by the District.

Section 10. The District will comply with PERB law when it establishes or creates a new job classification or makes a significant change in the duties of an existing classification to which this Agreement applies. The Association has the right to grieve Article 33, Section 10, and the loser will pay for the cost of the arbitration.

Section 11. When a position is reclassified, the incumbent in the position shall be entitled to serve in the new position and shall be assigned the same step that they previously held prior to reclassification.

Section 12. Any involuntary downward adjustment of any position or class of positions shall be considered a demotion and shall take place only as a result of following the layoff or disciplinary procedures of this Agreement.

Section 8. The burden of proof shall remain with the District.

Section 9. Section 5. Every position not requiring certification qualifications and not specifically excluded from the bargaining unit by the terms of this Agreement shall be classified and included in the bargaining unit. If the vacant position has been offered to a candidate and if the candidate has accepted but later rescinded, the District's time to fill the position shall begin to run on the date on which the candidate rescinded. At no time shall a vacant position be filled for more than seventy (70) working days under this Agreement.

ARTICLE 41 - PROMOTION

Section 1. Employees in the bargaining unit who meet the minimum qualifications shall be given an interview for any job vacancy within the bargaining unit which can be considered a promotion after the announcement of the position vacancy. As to the written test given as part of the qualification process, a score of 80% shall be deemed as meeting minimum qualifications for bargaining unit members. For the purpose of this Article, a promotion shall be defined as any change of classification, except reclassification, which results in placement at a higher salary range.

Section 2. The interview panel for each position vacancy as it occurs shall remain the same for all interviews for that position. The interview panel shall consist of at least three (3) persons and shall include a bargaining unit member, an administrator, and a person familiar with the duties of the position.

Section 6. Any permanent bargaining unit employee who voluntarily resigns, in good standing, from a position and is asuccessful outside candidate for a position of the bargaining unit employee's former classification, during thirty-nine (39) months after the resignation, shall be restored to all previous seniority, rights, benefits, and burdens of a permanent bargaining unit employee in the classification to which the bargaining unit employee is reemployed.

ARTICLE 43 - REOPENER NEGOTIATIONS

Section 1. The District and the Association may each name one article to reopen in the 1990-91 and 1991-92 school years, so long as the reopened article is not salary, fringe benefits, or any article with monetary impact.

Section 9. Holidays: Unit members assigned to CSP and/or to modified schedules shall receive no fewer holidays than members assigned to a traditional school year schedule and any additional holidays declared by the President of the United States, the Governor of California, or the Governing Board.

Section 10. Insurance:

(a) Classified employees in the CSP that have individual payroll deductions for insurance premiums will have premiums deducted during their scheduled pay periods so as not to break the continuity of coverage, provided the County payroll system will make such accommodation. If the County does not make such accommodation, the District will consult with the Association within thirty (30) days of the County's notification.

(b) The District will make every reasonable effort to ensure that deductions for insurance premiums will be calculated on a tenths (10) basis during the school year and not deducted during an intersession period, provided the County payroll system will make such accommodation. If the County does not make such accommodation, the District will consult with the Association within thirty (30) days of the County's notification.

Section 11. Closing Language:

(a) This Article specifically addresses the CSP program. Benefits, compensation, or privileges that have been omitted in this Article will revert to the appropriate Articles in this contract.

(b) CSP employees on an academic year calendar (180 days) shall be assigned the same number of days of work as employees in the same job classification on a traditional calendar, subject to the provisions of the collective bargaining agreement, unless the District and the Association agree otherwise.

SUBJECT: Revision of Contract Language, Article XXV11 -
Vacations, Permanent Employees

DATE: March 12, 1980

The attached memo needs to be posted and extra copies are included to be issued to various classified employees on your staff. I am aware that many of you have taken time to work out vacation time to fit within the old language. We are hopeful that the new clarification on this situation will give you and your classified employees the flexibility needed in scheduling vacations which are more beneficial to both the District and the individual employee. The basic change is as follows:

The vacation accrued during this school year by any given employee must be used prior to July 1, 1981, with the exception that if an employee elects to carry over up to five (5) days, they have that option. This should be made known to all the supervisors for future planning during the school year of 1981-82.

Again, please post this clarification and notify your classified employees, referring to the list that you were sent.

Should you have any questions, please call.

AGREEMENT BETWEEN
CSEA, CHAPTER 410, AND THE
MORENO VALLEY UNIFIED SCHOOL DISTRICT
MAY 31, 1989

CENTRALIZED CUSTODIAL SERVICES

The Moreno Valley Unified School District ("District") and the California School Employees Association and its Chapter 410 ("Association"), in settlement of PERB Complaint No. LA-CE-2798, agree as follows:

1. The Association will request PERB to dismiss with prejudice the above referenced complaint.
2. The District will post and fill six (6) additional full-time custodian positions, to be used as a floor crew. These positions shall be Custodian I's, Range 12, with an additional stipend of six percent (6%) for employees on permanent status on the floor crew. The District can assign employees on and off the floor crew at its option.
3. The District agrees that it will continue to expect a reasonable day's work from each custodian, and will not require unreasonable levels of work.
4. The District will inform site level managers and administrators regarding the custodian reorganization and the provisions of this agreement.
5. The District and the Association shall each appoint four (4) persons to a Custodial Review Committee, to be chaired by the Deputy Superintendent or his designee (who shall be one of the District appointees). This committee will hold its first meeting regarding custodial services forty-five (45) days after the District has filled the management/supervisory positions. The committee will meet within the 45-day period following the filling of the positions to set up the committee's format, criteria, rules, and objectives. The committee may meet to discuss custodial service prior to the end of the 45-day period if both CSEA and the District agree to meet. The committee shall investigate and report to the bargaining teams any complaints of under or over staffing of custodial workers at any District site. At the request of either the District or the Association, the District and the Association shall meet and negotiate regarding the committee's findings any time after 45 days after the committee's first meeting. The committee's findings may but need not be in the form of unanimous or majority reports, and minority reports shall also be reported to the bargaining teams.

SIDE LETTER AGREEMENT

The Moreno Valley Unified School District ("District") and the California School Employees Association ("Association"), in full settlement of any pending or threatened grievance regarding the scheduling of the winter break in the 1988-89 or 1989-90 school year, which scheduling may have required unit members to use eleven (11) rather than ten (10) days of vacation or lose salary, agree as follows:

1. For the 1989-90 school year, the winter break for students shall be scheduled from December 18, 1989, through January 1, 1990, (11 school days). For classified employees in the bargaining unit, the District will provide a workday for employees who work less than twelve (12) months, on the day following the employee's last workday. A unit member will receive a regular day's pay, at the number of hours the unit member normally works, for one-half day's work. (That is, a 3-hour employee will work 1-1/2 hours for 3 hours pay.) If the unit member does not work for the extra workday, he/she will be able to take leave (if appropriate) or vacation for half the day (and receive a full day's pay).
2. The Association will withdraw with prejudice any pending grievance regarding the 1988-89 winter break, and will not prosecute any such grievance or assist any unit member in prosecuting claims for pay in any forum.
3. This Side Letter Agreement is not precedential, and shall not be cited by either party as evidence of the District's past practice in any future dispute.
